- If this transaction form is signed by a representative, I have the necessary authority to do so and this transaction is within my powers.
- Ci has not provided any advice to me regarding the investment or the suitability of the investment for me. Furthermore, I acknowledge that I have no claim or cause of action against Ci in connection with my relationship with my financial advisor or for any other reason including the advice given to me by the financial advisor.
- Ci may obtain necessary information that is missing from my transaction form from my financial advisor.
- If my financial advisor is an approved discretionary financial services provider, I acknowledge that my financial advisor may give Ci instructions in respect of this investment directly, and I authorise Ci to adhere to my financial advisor's instructions on my behalf.
- I agree that Ci is entitled to deduct any losses or damages that Ci may suffer resulting from the cancellation or failure of my debit order from my investment, provided that Ci did not contribute to the cancellation or failure of my debit order;
- The Debit Order commencing on the start date, as defined in the application, will continue until this authority is terminated by me/us by giving you notice in writing before the 24th calendar day of the month.
- In the event that the payment day falls on a Saturday or Sunday, or recognised South African public holiday, the payment day will automatically be the preceding ordinary business day.

*Collective Investment Schemes in Securities ("CIS") are generally medium to long terms investments. The value of participatory interests may go down as well as up and past performance is not necessarily a guide to future performance. CIS are traded at ruling prices and can engage in borrowing and scrip lending. Different classes of units apply to the portfolios and are subject to different fees and charges. A schedule of fees and charges and maximum commissions is available on request from Ci. Ci does not provide any guarantee either with respect to the capital or the return of the portfolio. A fund of funds is a portfolio that invests in portfolios of collective investment schemes, which levy their own charges, which could result in a higher fee structure for the fund of funds. Forward pricing is used. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down. International Investments may include additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on the availability of market information. Any portfolio may be closed from time to time in order to manage them more efficiently in accordance with their mandate. The funds are portfolios established and administered by Ci, and APS has been appointed to manage and market the portfolios. APS is an indirect shareholder of Ci. As a shareholder, APS may earn dividends from time to time and participation in any dividends may be linked to the revenue generated by Ci from the APS portfolios, and from any other Ci portfolios. Ci retains full legal responsibility for the co-named portfolios. Additional information on the portfolios may be obtained, free of charge, directly from Ci. Ci is a Non-Voting (Ordinary) Member of the Association for Savings & Investment SA (ASISA).*
